## Atlas Journey Preferred Coverage Highlights

**IMPORTANT NOTE:** Coverage varies by state. Please review the policy documents for your plan and state of residency prior to purchasing an Atlas Journey Preferred travel insurance plan.

### PRE-EXISTING CONDITIONS: WHAT YOU NEED TO KNOW

The pre-existing condition\* exclusion will be waived if you purchase your Atlas Journey coverage within 21 days of the date your first trip payment was received and you are medically able to travel at the time of purchase. If you do not purchase Atlas Journey insurance within 21 days of your initial trip payment, a 90-day lookback period will apply to pre-existing conditions.

*\*Pre-existing condition means an illness, disease, or other condition during the 90-day period immediately prior to your effective date of coverage for which you: 1) received a test, examination, or medical treatment; 2) received a recommendation for a test, examination, or medical treatment; or 3) took or received a prescription for drugs or medicine.*

*Item (3) above does not apply to a condition which is treated or controlled solely through the taking of prescription medication and remains treated or controlled without any adjustment or \*\*change in the required prescription throughout the 90-day period before your coverage effective date.*

*\*\*Change in required prescription means the dosage or frequency of a medication has been increased, reduced, stopped, and/or new medications have been prescribed due to the worsening of an underlying condition that's being treated with the medication, unless the change is: 1) between a brand name and a generic medication with comparable dosage; or 2) an adjustment to insulin or anti-coagulant dosage.*
